Theragun is a health and wellness brand founded by chiropractor Dr. Jason Werstland in 2008 and officially launched in 2016. With over a decade dedicated to the breakthrough science of percussive therapy, Theragun continues to innovate modern solutions for muscle pain relief, performance enhancement, and faster recovery. Today, Theragun products are used by over 250 professional sports teams worldwide, physical therapists, trainers, chiropractors, celebrities, athletes, and everyday people in over 40 countries.
